

**Sponsorship Agreement by a Non-University User
of the Snider Agricultural Arena**

Non-University Users of the Snider Agricultural Arena must be able to demonstrate that the purpose of their event contributes to the mission of the College of Agricultural Sciences.

Organizations not affiliated with the University may use the facilities only for activities and purposes which are congruent with the mission and goals of the College of Agricultural Sciences. Non-University organizations must be sponsored by students, faculty and staff of the College of Agricultural Sciences in order to permit your function in the Snider Agricultural Arena.

The use of University facilities shall not have as its purpose the raising of funds for activities or causes unrelated to the University.

Please refer to Policy AD-02 which states, *“Fundraising activities must be conducted in conjunction with, or co-sponsored by, an organized student group, University college, department or administrative unit. Co-sponsorship must be by a bona fide parallel-interest organization with equal participation in the planning and implementation of the activity.”* (<http://guru.psu.edu/policies/AD02.html>)
