Food Science Club  
Meeting Minutes  
October 3rd, 2011

1. It’s finally here! **The FIG/Alumni Student tailgate is this Saturday, October 8th from 11am-2:30pm**! If you want to volunteer and have not yet paid, please pay $35 to Mike Molino and you will be reimbursed after the tailgate depending on how many hours you work -- $10 discount/hour worked. Natalie has gone ahead and blocked seats for the game so the club members can all sit together, even if we do end up missing kick-off (that’s not the intention!). Lastly, Katie is arranging a Ladderball Tournament at noon during the tailgate, so come on out and compete to win a Creamery gift card!

    Tailgate Schedule:
    Set-up...........8:30am-10:30am  
    FIG Board of Directors Meeting............10:30am-11am, 252 FD SC (Everyone is welcome!)  
    Registration...........10:45am-2:30pm  
    Tailgate...........11:00am-2:30pm  
    Depart for game.............2:30pm  
    Clean-up............2:30pm  
    Penn State vs. Iowa........3:30pm Kick-off!

2. In light of the season, and just because it’s so much fun, Natalie has booked a Hayride with three other Ag Clubs on **Sunday, October 30th**! For a discounted price of $20/person, we will be boarding a bus at 7:30pm to take us to the event, socialize and scream on the haunted hayride, and enjoy good food around a campfire together!

3. Many of you should have gotten the e-mail invitation to **Mr. Jim Zallie’s presentation this Friday, October 7th in room 252**. At 2:30pm, the senior executive at National Starch Food Innovations will be offering his insight on his career in the Food Science industry. It is sure to be worth your time, even on a Friday afternoon, so please attend if you can!

4. Check out INTAG 497A, *Comparing US and French Agricultural and Food Systems* – a food-science related learning experience in **Paris, France** for two weeks at the end of May. E-mail Ketja Lingenfelter at ketja@psu.edu with any questions about the program.

5. We have a sudden opening for an **Ag Student Council Representative**! If you are interested, please e-mail Andy Schegel (the one and only Ag StuCo Rep at the moment) at ats201@psu.edu. Your major responsibility will be to attend Ag StuCo meetings every other Tuesday evening and represent the Food Science Club. This is a GREAT way to gain leadership!

6. Mark your calendars:
   - Traveling Tuesdays, in 122 Ag Admin @ noon  
   - Mr. Jim Zallie’s presentation, October 7th  
   - FIG/Alumni – Student Tailgate, October 8th  
   - FIG presentation, October 17th  
   - Campbells, October 10th  
   - Hayride, October 30th  
   - Ag Career Fair, October 18th  
   - Clemens Food Group, October 31st

**NEXT MEETING:** Monday, OCTOBER 10th at 5pm. Campbells will be presenting! 😊
