

PA Joint Council of Extension Professionals (JCEP)

PA Extension Association of Family & Consumer Sciences, PA Association of Extension 4-H Agents,
PA Association of County Agricultural Agents and PA Alpha Omicron Chapter of Epsilon Sigma Phi

Professional Development/Advanced Degree Scholarship

Award \$400.

Due: T, September 28, 2010

Application not to exceed two 8 ½ X 11 pages; minimum 10 point type; 1 inch margins.

Send electronically to Joan S. Thomson; to verify receipt call within 24 hours

Phone: 814-863-3825; E-mail: jst3@psu.edu

Qualifications: One \$400. professional development scholarship may be awarded annually to an active member of any of the four professional associations who has a Cooperative Extension appointment for professional improvement and advanced studies leading to a graduate degree. If the recipient is employed full time by Penn State Extension for one year after receiving the scholarship, excluding time on leave of absence for professional development, the scholarship will be forgiven. If this does not occur, the amount of the scholarship plus accrued interest, at the current rate on six-month money market certificates, is due on the date employment with Penn State Cooperative Extension is terminated.
