

## FUNDRAISERS TO OFFSET STUDENT COSTS FOR EMBEDDED STUDY TOURS

More and more, students ask about having a fundraiser to defray the costs.

- 1) Such an effort should be student led and at least ¾ of the group should agree to do it.
- 2) Fundraisers are only as successful as the participants willingness to work hard – if the students are not willing to commit, then they really are a waste of time.

**STUDENTS MUST CONSULT WITH RICHEL PERRETTI IN THE OFFICE OF RISK MANAGEMENT BEFORE EMBARKING ON A FUNDRAISER. THIS INSURES THAT NO UNIVERSITY POLICIES ARE IGNORED.**
