Don’t miss one of the largest outdoor agricultural shows in the East.

With more than 500 exhibitors and vendors showcasing innovations in agricultural equipment and related industries, Ag Progress Days has something for everyone. Our show features Penn State Extension research and offers educational presentations, guided tours and interactive educational fun for the whole family. Choose to spend your day on our 55-acre exhibit site or join us online as we explore our amazing food and fiber system.

**Demonstrations**
- Field machinery and crops
- Horse training and health
- Home and farm safety
- Gardening and beekeeping
- Working drone technology

**Educational Presentations and Tours**
- Dairy, livestock and equine
- Field and forage
- Energy and environmental resources
- Horticulture
- Forest stewardship and wildlife management
- Crop management

**Interactive Events and Activities**
