INTERNATIONAL EDUCATIONAL EMBEDDED EXPERIENCES FALL/SPRING/SUMMER 2014

International Educational Embedded Experiences are courses that are led by CAS faculty, are typically 3 credits, and have an “embedded” international trip experience either over fall, winter, or spring break or in the beginning of the summer. The trip component can last for 1 to 4 weeks. Some are focused on specific major areas or groups. Please contact Ketja Lingenfelter, Study Abroad Coordinator at ketja@psu.edu for details.
