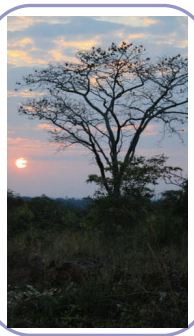
IAAS
Zambia Book Project

A former IAAS member and PSU graduate, CHUCK CASIO, is currently in Zambia volunteering for the Peace Corps. HELP us to help him fill the empty shelves of his village's library.



The IAAS club is collecting books and donations for shipping to help fill a new library in a small village in Zambia.
Any books on agricultural subjects or books for teens are appreciated.

No books?
It costs apprx. $135 to send 66 lbs of books to Zambia.
Consider donating to help with shipping costs.
