

## PSERT Meeting- 10/29/13

### **Officer's Reports:**

**President:** Dr. Kateryna Makova conducts research in the evolutionary divergence of the domestic horse. She is willing to speak at our speaker meeting, but she can only meet with us at 4:00 pm. Kiersten will be sending a doodle poll to see how many members could attend an earlier meeting.

**Vice President:** Kira will be bringing the clothing to the next speaker meeting.

**Ag Student Council:** We need two or three members to volunteer to man our poster at the Ag Live Tailgate. It will start 3.5 hours before kickoff. We also need to decide on a fundraising item. Our current ideas are cowgirl cookies and Christmas ornaments or cards.

**Webmaster:** Check out our new website at <http://agsci.psu.edu/clubs/psert>.

**Social Chair:** The hayride has been cancelled. We are considering a bowling night or Christmas caroling.

### **Advisor's Report**

- We are planning on attending the Mid-Atlantic Nutrition Conference on March 26<sup>th</sup>, 2014. Registration is free for students, and Dr. Stanair will be speaking there. He is willing to drive a bus down to Maryland for PSERT members to attend.
- Dr. Stanair is still looking for a student to help with the agriculture gender study.
- He also said that some of the members should consider applying for student awards from student affairs and activities.
- We are creating working groups to plan for future activities. These will include the growth study, symposium/spring trip, speakers, and fundraising.
