RE: Log a Load for Kids[®] Pennsylvania Campaign

Dear PFPA Member:

I invite you to participate in a statewide Log a Load for Kids[®] fundraising effort and help kids struggling with serious medical issues.

Log a Load for Kids[®] is a nationwide giving campaign through which loggers and others contribute to local Children's Miracle Network-affiliated hospitals to provide medical care to kids in need, regardless of their families' ability to pay.

Funds are used by the hospital's pediatric clinics for diagnostic equipment, special programs, to pay the hospital bills of uninsured children or treatments not covered by conventional insurance. The program has raised over \$46 million nationally over the past 29 years. At the 2019 Timber Show, we raised more than \$11,000 support Log a Load for Kids and the Children's Miracle Network.

Through mid-June, a number of fiber receiving mills across the state are asking suppliers to donate the value of a load of logs, or any amount, to support the Children's Miracle Network affiliated hospitals in their area and across the state. If you have already been contacted by a fiber receiving mill, I encourage you to continue to respond to that solicitation as directed.

For others interested in supporting this Log a Load for Kids[®] campaign – including secondary wood processors, equipment and service suppliers and others – you can utilize the attached form and return it directly to PFPA.

Those individuals and companies donating at least \$100 will be invited to participate in a Truck Parade and Check Presentation Ceremony at the Timber 2021 Forest Product and Technology Exposition (2710 W. Pine Grove Rd., Pa Furnace, PA 16865) on the show site near State College, PA on Friday, June 4 @ 11:00 a.m. report time, and their entry truck will be eligible to receive a promotional photo at the parade's photo stage.

We expect that this event will be covered by media and footage available for use by CMN Hospitals for their annual telethon efforts. Truck loads are not limited to logs only – trucks hauling any type or forest product are welcome. ***Those planning to participate in the Parade should RSVP to the PFPA office to reserve a space and get instructions on the event no later than May 28, 2021!***

A donation to Log a Load for Kids[®] is tax-deductible and you may direct your donations to the CMN hospital of your choice. I hope you will consider participating in this worthwhile fundraising effort.

Sincerely,

Matthew Gabler, PFPA Executive Director
