RE: Log a Load for Kids[®] Pennsylvania Campaign

Dear Friends:

I invite you to participate in a statewide Log a Load for Kids[®] fundraising effort to help kids struggling with serious medical issues.

Log a Load for Kids[®] is a nationwide giving campaign through which loggers and others contribute to local Children's Miracle Network-affiliated hospitals to provide medical care to kids in need, regardless of their families' ability to pay.

Funds are used by the hospital's pediatric clinics for diagnostic equipment, special programs, to pay the hospital bills of uninsured children or treatments not covered by conventional insurance. The program has raised over \$50 million nationally over the past 35 years. Since our last Timber Show in 2021, we raised over \$50,000 in support of Log a Load for Kids and the Children's Miracle Network.

Please use the attached form to donate to Log a Load for Kids[®] campaign and return it directly to PFPA at the new office, 212 N 3rd Street, Suite 203, Harrisburg PA 17101.

Those individuals and companies donating at least \$100 will be invited to participate in a Truck and Equipment Parade and Check Presentation Ceremony at the Timber 2023 Forest Product and Technology Exposition on the show site at 2710 W. Pine Grove Road, Pennsylvania Furnace, PA near State College on Friday, June 9. Report time is 10:30 a.m. Each vehicle entered is eligible to have a promotional photo taken at the parade's photo stage to share to your website and social media pages. Photos will be emailed to participants.

Eligibility for the parade has been expanded to welcome **all rubber tire equipment without tire chains and trucks hauling any type of forest product.**

Those planning to participate in the Parade should RSVP to the PFPA office to reserve a space and get instructions on the event no later than May 26, 2023.

A donation to Log a Load for Kids[®] is tax-deductible and you may direct your donations to the CMN hospital of your choice. I hope you will consider participating in this worthwhile fundraising effort.

Sincerely,

Matthew Gabler
PFPA Executive Director
