

## Primary Sponsor of the PA Timber Show is Taylor Machine Works, Inc.

The Taylor Machine Works, Inc line of heavy duty forklift trucks, log stackers, container handlers, and specialty machines continues to lead the industry due to our emphasis on ruggedness, reliability and support. For over 80 years now, Taylor's unwavering commitment to the key concepts of FAITH-VISION-WORK by the members of the Taylor family and employees make this world-wide organization a leading manufacturer in the United States for industrial forklifts and material handling equipment.

Taylor Machine Works engineers and builds what you need. Taylor prides itself on being able to design, engineer and manufacture specific tailored material handling equipment for all your needs. All Taylor equipment is supported 24/7 by our Sudden Service, Inc. after market support company.

Finally, Taylor's reputation for commitment and support is apparent by Taylor machines remaining at the top of the list in resale value. Taylor equipment is the lowest total cost machine due its long-lasting ability to perform.

We are committed to providing you with the best equipment, the best after sales-support, and the best overall ownership experience available. Come by and visit us at the Ag Choice Building and see our TX-330S or learn about over 100 other models ranging in lift capacities from 16,000 lbs. to 120,000 lbs. in 24-inch, 36-inch, and 48-inch load centers.
