## Pennsylvania Women's Agricultural Network

## 2011 Educational & Networking Events

PA-WAGN offers an exciting and diversified array of field days, workshops, and informal networking opportunities designed for women in agriculture to achieve success through experiential learning.

Business planning and marketing, production and value-added agriculture, and conservation practices are presented in 2011 to increase the knowledge of new & beginning farmers and to help seasoned farmers diversify their farm operations. Networking and mentoring are guaranteed outcomes at PA-WAGN events.

### Join PA-WAGN

Membership is free. Simply complete a brief online membership application to join the growing number of farmers, agricultural educators, agricultural service representatives, homesteaders, and informed consumers that take advantage of the educational and networking opportunities offered by PA-WAGN.
