Join **PA-WAgN** for a full-circle learning opportunity.

First stop, **PINEY CREEK GREENHOUSE** where we will learn how the owners have enhanced their direct-to-consumer sales through nursery-stock displays and structures. We will tour the greenhouse, gardens, and retail gift shop.

Second, we will visit **FRIENDS FARM**, where we will learn about the custom picnic enclosure that Vernon Martin designed to create a welcoming retreat for market customers and CSA members. Friends Farm owners, Chris Wise and John Favinger, will facilitate a hands-on construction workshop where participants will use Vernon's design to build the structure.
